

ELYS TR FASHION

Track system, high CRI white light LED spotlight luminaire for horizontally positioned track installations. Simple beam direction adjustment with rotary driver box and spotlight head. Toolless exchangeable 23°, 34° or 53° beam angle facet reflector. Track connector compatible with Eurotrack Plus / Stucchi / Nordic-Global tracks. Net luminous output up to 2050 lm, luminous efficiency up to 68 lm/W. Correlated Colour Temperature of 3000K and high Colour Rendering Index CRI (Ra) of 98 mean natural colour perception of displayed products. Guaranteed exceptional colour stability within 1x2 SDCM during entire service lifetime of 50 000 operating hours with failure rate L80 B10 at 35°C. Luminaire head made from die-cast aluminium, forged aluminium heatsink with 60% better performance compared to die-cast and extrusion technologies improves LED colour stability and lifetime. Structural powder coated white, grey or black surface finish. Thermally protected fixed or dimmable (1 – 100%, addressable DALI) driver built in quality die-cast aluminium driver box. Ambient operating temperature from 0°C to +35°C. Weight 1.1kg, dimensions (L x H x W) 172mm x 188mm x 135mm. Energy Efficiency Class (EEC) A.
