

ELYS CS2 FASHION

Recessed, twin head, high CRI white light LED spotlight luminaire for plasterboard ceiling installations. . 2 luminaire heads fitted in movable cardanic mechanism allow simple adjustment of the beam direction of each head independently. Toolless exchangeable 23°, 34° or 53° beam angle facet reflector. Net luminous output up to 4100 lm, luminous efficiency up to 68 lm/W. Correlated Colour Temperature of 3000K and high Colour Rendering Index CRI (Ra) of 98 mean natural colour perception of displayed products. Guaranteed exceptional colour stability within 1x2 SDCM during entire service lifetime of 50 000 operating hours with failure rate L80 B10 at 35°C. Luminaire head made from die-cast aluminium, forged aluminium heatsink with 60% better performance compared to die-cast and extrusion technologies improves LED colour stability and lifetime. Structural powder coated white, grey or black surface finish. Independent thermally protected fixed or dimmable (1 – 100%, addressable DALI) driver with screw-less strain relief cable connections. Weight 2.4 kg, dimensions (L x H x W) 337mm x 95mm x 200mm. Energy Efficiency Class (EEC) A.
